
Need Engine number for Craftsman 536.884822

Posted by Pat McMackin - 12/24/2009 05:49am

I need to find out what the 143.XXXXXX number is for a Craftsman Snowthrower model number 536.884822

Thanks

The 143. engines are Tecumseh. Tecumseh was bought out in 2007 and no longer are in the small engine business. Investors bought the company for the air conditioning part of the company.
